To Whom It May Concern:

Our office has been working with Allen's Certified Legal Video for over 6 years. Among other things, Vince Allen has provided high quality video exhibits for trial, still photographs from videotapes, Power-Point presentations, and videotaped depositions for trial.

Throughout that time we have found Mr. Allen to be reliable, accommodating, meticulous and professional. Importantly, he has always understood and upheld the confidential nature of the services he is asked to provide for our firm, and we are pleased that he has expanded his business to include other areas of legal video production.

Our past experience with his company assures us that we will continue to receive high quality work when we utilize his legal video production capabilities. Accordingly, we will continue to trust and rely on Allen's Certified Legal Video for our video services.

Sincerely,

MCQUAIDE BLASKO
